

# **Look with pity on My Love.**

## **I beg you: Come back to Me**

July 15, 1999

My people! My beloved people. I am your God. I am the God of Love. I love you, My people. Come to Me. Come to your God. My people, I am your God. My beloved people. I am your God and Love. I created you and called you to be My own. I am your God, you are My people. I love you.

**Look with pity on My Love.** I beg you: Come back to Me. All who have left Me – left the way I prepared for you in My Church, in My Heart: Come back to your God. Come back to your salvation. Come back to your fulfilment. I created you out of Love and called you to be Mine in My Love. I have given you My Love. Look in My Heart of Love. Look on My Beloved Son. Look on His Heart – the Heart of Love. Look on My daughter, My chosen daughter and bearer of My Love. Look on her Immaculate Heart. These Two Hearts are bleeding for you. These Two Hearts are still suffering for you, for Love for you. Come to Me in My Love.

Tell My people that I am the God of Love. Tell My people that I love them. Tell My people that I will forgive all their sins. Tell them to repent of their sins and come back to Me. Tell My people that My Heart is open to them. Tell My people that I am crying for them. My Heart is bleeding for them. Tell them that I love them with an Infinite Love. No matter how deeply they have wounded Me I still love them. No matter how far they have wandered from Me I still love them. I love them till the last minute of their life. I love them till the end. Tell them not to decide against Me. Tell them not to decide against My visible Church. Tell them not to decide against the visible leaders.

Tell them to **build Me a Temple of My Presence** in their midst. I am God, the Holy One in your midst. I mean to establish a Centre of My Love in your midst, in your land. I mean to draw all souls to Myself, to bless and save them. **This is the place where people will feel My Presence (in) My Love.** I mean to establish a Centre of My Love, of My Heart of Love in their midst, a Centre of My Presence. Come! Come! Come, My people, to Me, to My Love, to My Heart of Love! Only in My Love you will find salvation, security, fulfilment, happiness. I am your God. You are My people. In this My Centre of Love there will be adoration, **perpetual adoration of My Love, of My Presence in the Sacrament of My Love in your midst day and night. From this place I mean to pour My blessings of My Infinite Love on the whole people, on the whole land.** I mean to claim all who belong to Me, and bless all and save all who come to Me. Here true Love of God and of one another is to be lived, taught and practised. Pure and holy love.

**Here is the School of Love for the whole people, for the whole world.** The poor are to be taken care of, the rich are to share, the sick will be cured, and all will share, all will take part in the Heart of My Love. Here I mean to unite the hearts of all. All will be one. I am God. One God, one Love, the God of all, the God of Love. Oh, My Love will reign! **From here My Love will spread to all,** into every heart and home, every community, everywhere and at all times. Oh, My Love will reign. There will be attacks from the evil one but My Love will reign!
