Second Vatican Council about private revelations:

“These charisms, whether they be the more outstanding or the more simple and widely diffused, are to be received with thanksgiving and consolation for they are perfectly suited to and useful for the needs of the Church. Extraordinary gifts are not to be sought after, nor are the fruits of apostolic labour to be presumptuously expected from their use; but judgment as to their genuinity and proper use belongs to those who are appointed leaders in the Church, to whose special competence it belongs, not indeed to extinguish the Spirit, but to test all things and hold fast to that which is good. “

**INTERVIEW

**on the Holy Mountain,

Orlu/Nigeria
in December 2007**

Br. Pascal:

Father Montfort, you are the founder of the Catholic Society of the Two Hearts of Love SHL. Can you tell us about the main purpose and aim of this Society and of your work?

Fr. Montfort:

This work has its origin from God. It is God Himself who is the foundation of all we are doing, we are only His servants, His instruments that He is using to spread His Love, and I am happy to be an instrument of God. And I give myself to Him completely

to use me as it pleases Him for this work for the Salvation of souls. The main purpose of this work of the Hearts of Love is: Love of God. To love God with our whole heart, our whole mind, our whole soul and to bring people to the Love of God.

Bring people to the Love of God means: bringing to salvation while we pray every time for the salvation of all souls. Jesus Himself, here with us our God incarnate, He suffered a lot when He came here as man. And leaving Himself for us in the Holy Eucharist, His suffering continues in many churches where He is abandoned. People don't care to visit Him, to go to Him there lonely, abandoned. Our work is to console Him. His Heart is still bleeding because so many people don't love Him, don't come to Him.

When He opened Himself to me, He showed Himself to me on the Cross,

bleeding from all sides. And I tried to stop the bleeding with my hands, I could not, I tried to drink all the blood, I could not. The Lord said: **“My son, you alone, you cannot console Me.”** So, we see that we can not console Him alone.

So, we have to get many people who will join in this work of consoling Jesus, work of reparation for the many sins of the world. Every sin committed anywhere in the world wounds the Heart of Jesus and for every wound there is need for reparation, for consolation. This is why we are victim souls, giving ourselves to console Jesus.

And there are so many wounded persons in the world. And the worst wound is the separation from God. These people who are no longer in the knowledge of God have inflicted on themselves terrible wounds, they need

healing. Healing is, to bring them back to God, to unite them to the Two wounded and bleeding Hearts.

So the work of the Society is primarily in the direction of God: To console Jesus, comfort God, adore God, worship Him, giving Him His due worship. Then in the direction of the human beings to bring them to God, to console them also by freeing them from the pains and the wounds of separation from God, the wounds made by sin, and teach them to love God, to avoid sin, especially sins against their bodies, sins against their spirit, sins against the sixth commandment. This is why our work is more prayer, prayer, prayer.

Prayer and good works we do also. This is where we care for the sick, for the poor, for the abandoned and for the children. Good works, works of charity. We thank God for giving us this

mission. This mission is for the whole world.

We intend to reach every single soul in the world and tell every person directly: God loves you and God needs your love. You are created by God out of Love and this God, who made you out of Love, needs your love. Come to God! Come to your Love! We are inviting every body to join in worshipping God, in loving God and to join in doing this work of the Hearts of Love and bringing all to the Love of God.

Br. Pascal:

Thank you, Father Montfort.

CALL TO PRAYER AND SACRIFICE FOR ALL CHRISTIANS

WHO WORSHIP THE MOST
SACRED HEART OF JESUS
AND HONOUR THE MOST
IMMACULATE HEART OF
MARY,
THE TWO HEARTS OF LOVE –

A letter of Father Montfort,
founder and priest of the Society
of
the Two Hearts of Love, to the
members in Europe and over
the whole world

May 2001

My Dearly Beloved Brothers and Sisters!

Peace and Love of the Risen Lord Jesus Christ and of the Father and of the Holy Spirit be with you. Let me begin by telling you this factual story:

As I received the Most Holy Communion, Our Lord Jesus Christ began to draw me more deeply to Himself and to teach me the innermost mysteries of His Heart of Love.

He asked me:

“Come to Me daily. Never allow the devil to keep you away from Me or wilfully stay back from Me. Teach those souls around you who are given to you to love Me! Move many hearts to love Me. The world still defies Me. Although there are many comforters, but the sins of the world far outweigh their work. (*As He speaks He weeps.*) See how humanity

defies Me. Even those, whom I trust, even those whom I look to for consolation send Me away, beating Me and spitting on My Face. They draw the wrath of My anger, soon they will feel the strength of My arm, if reparation is not made. I am not loved. Many detest to hear My Name, only very few come to Me...!

Ask those people who still detest Me, who do not love Me, who still run away from Me, who still detest to hear My Name to come back to Me. Tell them that I love them. You alone cannot comfort Me much!"

Jesus says: **"You alone cannot comfort Me much!"** He showed me what He meant.

He showed me Himself on the Cross with uncountable wounds all over His Body and they were bleeding. The blood was gushing all over and

dropping on the ground. I tried to collect all the blood with my mouth and drink it but the flow was too much from too many wounds. Much of the blood flowed away on the ground. Then I tried to stop the flow with my hands pressing at some of the wounds with my fingers, but the wounds and the flow were too much. I was helpless.

I managed to collect some of the blood with my mouth but a greater amount flowed away on the dirty ground. As I continued to struggle, hopeless to prevent the flow and to collect the blood with my mouth

He said to me: "You alone cannot comfort Me much. Bring your relations and friends to come to Me. Bring many people to visit Me and My house (Church) will be full and I will be happy, and forgive you (the world) your sins."

My brothers and sisters!

Our Lord Jesus Christ is bleeding continuously in many tabernacles in the world. Our Blessed Mother Mary is often crying tears of blood in many places in the world.

Our Lord hanging on the cross cried: “I thirst ...”! He thirsts for souls. He thirsts for Love. He thirsts for your soul, for my soul, for my Love, for your Love.

At another time the Lord Jesus Christ revealed to me that the solution of the problem of souls, the Church and the world, is to unite to the Two Wounded and Bleeding Hearts of Love (Jesus and Mary).

He revealed it to me in this way: The Lord showed me His Heart which because it has lost so much blood has

lost its real colour and appears pale white. Then He said to me:

“If you can make this Heart turn red again the world will be saved.” I asked Him how I can make the Heart regain its blood and its colour. He answered me: **“I want you to find that out yourself.”** I went about asking some older, experienced and learned and spiritual persons, but nobody could provide the right answer.

At the next time when He came to me I told Him that I have thought, and I asked many people and I could not find the answer myself and nobody could tell me the answer. He said: **“I will give you the solution Myself. I will reveal this mystery to you.”**

Then He showed me His Heart again and the Immaculate Heart of His Mother, the Blessed Virgin Mary. The Immaculate Heart is covered with deep

wounds, but the wounds were deep but not wide and the Immaculate Heart was also bleeding profusely. Then He said to me:

”The only solution is to unite to the wounded and bleeding Hearts of Love.”

I asked Him, how we can unite ourselves with the Two Wounded and Bleeding Hearts, since we are not pure and holy. The Lord then taught me the **Prayer of the Two Hearts of Love** and said that through this prayer we shall be purified and united with the Two Hearts of Love and the world would be saved.

Now He makes this very earnest, joyful and at the same time frightening appeal:

“Get at least 100 people who will be saying the prayer (the Prayer of

the Hearts of Love) 100 times (i.e. the Rosary of the Hearts of Love two times) every night, with you, no matter where they are (between the hours of midnight and 3 am) and the world will be changed. I will change the face of the earth. I will renew My Church and I will save all (uncountable) souls. I will overthrow the influence of evil. I will overthrow evil. I will establish the reign of My Love firmly. My Will will be done on earth as it is in Heaven.”

My dear brothers and sisters, God is calling you out of Love to make this sacrifice to be a victim of Love, suffering for the salvation of souls, the renewal of the Church, the salvation of the world, the firm establishment of the reign of His Love, the Triumph of the Two Hearts of Love, the Most Sacred Heart of Jesus and the Immaculate Heart of Mary.

Please, answer this call of God! Please join us in saying this prayer and making this sacrifice – the vigil of prayers and sacrifice – to keep Him company, to keep awake even for an hour of prayer with the Lord. Remember what our Lord said to His closest apostles Peter, James and John: **“My soul is exceedingly sorrowful even unto death: stay here and watch with Me.”** And He went a little further, and fell on His face, and prayed, saying: **“My Father, if it be possible, let this cup pass from Me, but not My will but Your will be done.”** And He came to the disciples, and found them asleep, and said to Peter: **“Could you not keep awake with Me for one hour? Watch and pray that you do not fall into temptation. The spirit is willing but the flesh is weak.”** (Mt 26,38-41)

When our Lord said that we should find at least 100 persons who will be saying the prayer (the Prayer of the Hearts of Love) 100 times (i.e. the Rosary of the Hearts of Love twice) every night, with us, no matter where they are (between the hours of midnight and 3 am), my mind went immediately to the story about Abraham who had the opportunity to save Sodom and Gomorrah but under the condition that he should find some people – 50, 45, 40, 30, 20, even 10 people: (please note: it was no failure on the part of Abraham that he could not find 10 righteous people. There were simply not enough righteous people.) This led to the destruction of the city by fire. This is a well known story narrated in the book of Genesis.

At this time, at our own time, God is giving us a special grace, a very rare chance. **He gives you and me this**

opportunity to help save souls – our own souls and the souls of others, to renew the Church and change the face of the earth and help establish the reign of His Love.

If only you and me and a few others could make the sacrifice of keeping awake and saying the prayer of the Two Hearts of Love devotedly, and thereby uniting ourselves to the Two Wounded and Bleeding Hearts of Love of Jesus and Mary.

Have no fears, this prayer is a special revelation of Our Lord Jesus Christ Himself to His beloved people, the Church. This prayer has already received the imprimatur from many bishops around the world, for the various translations in different world languages.

This time Our Lord is asking specifically that at least 100 people be

found who will be saying this prayer devotedly every night (no matter where they are) especially between the hours of 12 midnight and 3 am. This is the time for the vigil mass and prayer of the Two Hearts of Love.

Please, I am earnestly appealing to you on my knees to join us make this sacrifice of vigil prayers of Love for souls, for the Church, for the world, for the reign of the Love of God, for the Kingdom of God.

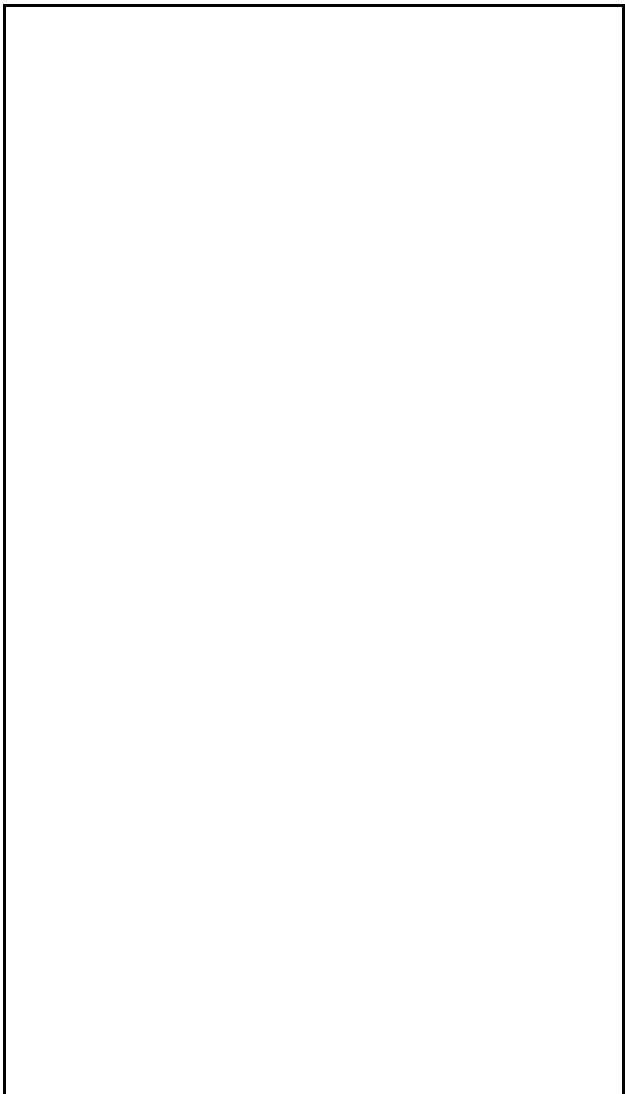

If you are willing to join in this prayer sacrifice every night please send us your name and address and telephone number. We shall place it on the altar where we celebrate the Holy Mass. We shall be celebrating Holy Masses for you and praying for you, that God will give you the grace and strength of soul, mind and body to fulfil your good promise.

We want to keep in contact with you and all who say the prayer regularly. We are a family of the Two Hearts of Love of Jesus and Mary, in the very heart of the Church. Please get many others to join in this urgent prayer sacrifice.

May God bless and reward you and all yours abundantly.

Yours devotedly in the Hearts of Love of Jesus and Mary

Montfort OKANWIKPO (Rev. Fr.)

THE PROMISES OF THE TWO HEARTS OF LOVE

**– The most Sacred Heart of
Jesus and the
Immaculate Heart of Mary,
the Two Hearts ever united in
Love –**

After the Holy Eucharist, after the Holy Mass, the greatest gift I have given to My Church and to the whole world is this Prayer and devotion of the Two Hearts of Love. This Prayer of the Two Hearts of Love comes from the Holy Mass just as the flow of blood and water comes from My pierced side. For the Holy Mass and this Prayer are united. You cannot separate this Prayer and Devotion from

the Holy Eucharist Sacrifice of the Mass. My son, let My Love reign. Let My Heart reign. Let My Hearts of Love reign.

O Hearts of Love! O! How I love to be called this. I am really a Heart of Love as so is My mother. We are Hearts of Love. I am God but a God of Love. All who call Me this (O! Hearts of Love) devotedly even once in their life will have the seal of the Heart (Hearts of Love) engraved in theirs.

Those who practice this devotion constantly will turn into a flaming fire of divine love and will never be lost.

Any person who at his or her death bed, after cleansing himself or herself with the Act of Love (i.e. Jesus, Mary, I love You be appeased, save souls, Amen) and devotedly says the prayer of the Hearts of Love (O! Hearts of Love! O! Hearts ever united in

Love...), while kissing the Hearts of Love, I will take to Myself. No purgatory for him.

I will bring out a date specially for the Feast of the Two Hearts of Love. On this day, the Hearts will be pierced with masses and prayers, and their blood will flow into purgatory and all those bearing the mark of the Hearts of Love I will attract to Myself like a magnet.

O! Hearts of Love! When will I stop bewailing My Love, which is being repaid with ingratitude and sin? How I wish to spread My Love in the whole world, but wickedness, hatred and sin keep Me back. I promise no matter the fewness, I will use those who are devoted to the Two Hearts of Love to spread My Love in the whole world.

Instruct people to say this prayer especially at twelve, at four and at six o'clock, at communion and at mass.

Those who will have their names enrolled will never be lost because they have specially consecrated themselves to Me and it is then a challenge to Me that at death, I owe them a special fight.

Those who will propagate this devotion will have their state in heaven raised according to their zeal and success will accompany them.

This devotion will spread like wild fire because many people and places have begun it, but have not yet known that it is this devotion that they have started. One need only instruct them and it is taken up.

Get ready. This is the time for trial and glory.

I promise any person who even once kisses the image of the Two Hearts of Love will have the seal engraved in theirs.

Any home that exposes and honours the image of the Two Hearts of Love will be free from sudden death, and I will prevent any mortal sin from being committed in that room.

You may think these promises fantastic but it is not. Just consider the length of time I have been waiting to establish the rule of My Heart in the world but wickedness and sin prevent Me. I mean to pour the blood of My Heart of Love on the whole world not minding the obstacles.

My child you are going to suffer much but it will last but a little while because Satan knows that My Heart must triumph and is ready to give the

last fight which will last a while and My Heart will triumph.

My child, I don't want you to doubt any more because this will mean a postponement of the triumph which I am not ready to grant.

I only want you to give up yourself in simplicity of faith, prayer, love, obedience and humility.

My child I have taken you as a victim and I am going to consume you till you become nothing. Just give up yourself to Me and I will use you as it pleases Me.

It is I, your Love Jesus Christ speaking.

I want to establish the reign of My Sacred Heart and the Immaculate Heart of My Mother ever united. We are one for we are united in Love.

And I don't want any person to separate the Two Hearts anymore. Any person who tries to separate the Two Hearts I mean to eliminate.

The laity, seminarians and aspirants, religious, priests and all the clergy should rally around the triumphant Two Hearts of Love.

Satan knows that his time is expired. Even when it has come, when he sees shining blinding rays of victims of Love, it is not I who will tell him to run and hide in his home.

My child, I mean to give you My Heart. You will draw the blood from it and pour on the world. O! My Heart will triumph.

Through this devotion to My Infinite Love in the Hearts of Love I mean to bring unity to My whole Church.

I want to promote unity among the various races and cultures in the world.

I mean to unite families, unite the hearts of husbands with their wives, and the hearts of women with men, the hearts of children with their parents, the hearts of relations and friends with one another.

This is an apostolate and a mission of friendship, unity and love for all and among all.

I mean to fight the evil of hatred, wickedness and sin.

It is My will to establish the reign of My Infinite Love and Mercy in every heart and home, everywhere and every time, in the whole world and in all creation.

O! My Love will reign on earth as in Heaven. **O!** My Heart will reign! **O!**

My Love will reign!

**JESUS THANKS ALL,
WHO HAVE
FOLLOWED HIS CALL
FOR
PRAYER AND
SACRIFICE**

6.7.2001

I thank all who have responded to this Prayer Call, which I sent from heaven. All who keep awake and pray in the middle of the night are blessed. I bless them with My eternal blessings of Love. I bless their families and undertakings. I bless their generation. Through their prayers and sacrifice they are supporting Me in carrying the world – they are helping Me in carrying the world, in saving the world, in renewing My Church, in fighting evil. Let them not get weak. I

am with them. I am with them always till the end of time. Let them never get tired. I am with them and will never, never, never abandon them.

I have accepted them and their sacrifice of Love. They are fragrant offerings of Love of Me. The light of their Prayers and sacrifice shines through the darkness of sin, of hatred and wickedness and evil. Darkness cannot overcome them. Weakness cannot overpower them. Their Love is united with My Love. Their hearts are united with My Heart. Their blood flow into My own. I am with them. I am united with them. They are united with Me. They form a formidable army of praying and loving and self-sacrificing souls. The future of the world, the Church, the salvation of souls depend on such sacrifices of Love and Prayer. Let them never get tired.

If they see the effect of their sacrifices and prayers in heaven, on earth and under the earth they will marvel, they will be surprised. They will not understand it now.

Their prayer and sacrifice rock hell, free innumerable souls in purgatory, redeem innumerable souls on earth and bring great joy in heaven. I am very much comforted, and My Mother and all My Angels and Saints thank them and protect them and pray for them. They form a formidable immense army with all My Angels and Saints.

The devil fights against them. Let them not be surprised or discouraged that the devil is fighting them and trying to discourage them. And you My son of Love, My Heart of Love, do not be worried at all that the hell is let loose against you, that all sorts of plans are being made against you.

And all sorts of calumny are being unleashed against you that all sorts of publications are being made against you. Be firm, be firm, be firm. Do not look left or right, back or front, up or down. Look only on Me. Fix your gaze on Me. I am, I am, I am. I alone am. I am God and no other.

You are doing My Will, My Eternal Will. I am immensely pleased with you. I am with you. I am with you. I am with you. I am with you. I am giving you the greatest support possible. Your Mission is My Mission. Your Mission must succeed. My Hearts of Love must triumph. I am! I am! I am!

Now I beg My beloved children to remember that I am still suffering, still lonely in many tabernacles in the world, in many hearts in the world, in many Churches, in many families I am abandoned and not being cared for. I call on all My beloved to keep Me

company, 15 minutes a day is enough for Me for the meantime. Let any person choose the time he/she can come and stay with Me for at least 15 minutes. Just stay with Me. Just visit Me. Just say a word of Love to Me. Visit Me lonely in the Church, visit Me lonely in prisons, visit Me lonely in hospitals, visit Me lonely in old peoples' homes, visit Me lonely, abandoned in many homes and places and towns in the world.

Please come! Come! Come!

Let all who are ready to do this apostolate of Love give their hearts and their Love, give Me their names. I will write it in My own Heart of Love. Come! Come! Come! This visiting apostolate of Love, of the Hearts of Love will flourish in the whole world. If enough people do this, Love will reign everywhere on earth as it is in heaven. I am the God of Love.

I am! I am! I am! I am He who am the God of Love. I am He who am the God of Love. When they visit Me or visit one another let them say the Prayer of the Hearts of Love.

I bless all who will do this apostolate with My eternal blessings of Love. I bless all who will propagate this with all the blessings of My Hearts of Love.

I will be the teacher of all who will do this constantly. I Myself will teach them and lead them to perfection in My school of Love, in My Heart of Love. They will remain steadfast in My Hearts of Love.

They will never fall away. No devil can separate them from Me. No failure will destroy them. I will raise them up always and carry them in My Hands and press them to My Heart. My Heart of Love is their place of refuge, their

solace, their salvation. I am! I am! I am their Love! They are My loving children of My Hearts of Love. I love them all with eternal Love, and I bless them all with My eternal blessings of Love.

Remain in My Love! Remain in My Hearts of Love! Remain united with Me! I am one with you. All who remain steadfast in this will receive My eternal Blessings. I will bless their generation, their families, their undertakings. None of them will be lost. I will comfort them in all situations. In their trials and sufferings I will stay with them always especially at their most troublesome, most abandoned times especially their hours of death. I am with them. I will be their comfort, their glory, their happiness. I am! I am! I am! I am He who am, the God of Love.

Through them I will pour My blessings on all to whom they go and all who come to them. I will pour My eternal blessings on My whole Church anew. Churches where many of these visits take place will experience a rebirth in faith, hope and charity.

Through them I will bless all in their family, relations and community, I mean to pour My eternal blessings on all through them. My children I love you. My beloved children give Me this time at least 15 minutes a day now, and I will give you eternity – for ever and ever. Amen.

THIS IS THE PRAYER OF THE NEW TIME OF THE REIGN OF LOVE

1999

This is the prayer of the new time, the time of the reign of Love, the reign of the Hearts of Love. Do you know that prayers of Love never end? Hope may end, faith will have an end but Love never ends. In heaven the only prayer that is said is the prayer of Love. Do you know that I also pray even in heaven? The Father prays also, the Holy Spirit prays also. We say the eternal prayer of Love. I love you Father! I Love You Son! I Love You Holy Spirit! This prayer never ends. I have taught you this prayer of Love - a

version of which is the Prayer of the Hearts of Love.

With this I mean to introduce you into this new age of Love - the age of the reign of the Hearts of Love. My son, keep writing, do not get weak. I mean to introduce you into the deep mysteries of life, into the deep mysteries of Love. I am Love! I am Life!

Outside Me there is no life, there is no love, only death and miserable nothing; My child, come into My Heart. What do you see? What do you experience?

(I see and experience flaming fire of Love. Infinite ocean of fire of love. Indescribable brightness. Indescribable peace. Indescribable joy. Indescribable quietness, indescribable LOVE. Indescribable union. Indescribable oneness. Perfect

union of hearts, of beings, of persons, perfect fulfilment of all our true heart desires.)

My son, this is where you belong. I have given you My Heart, this is what you possess and this is what possesses you: My Love, You are My Love. No matter how they attack you, no matter how they insult you, no matter how they throw you away, no matter how they throw you about, no matter what they think of you, no matter what they say of you, no matter what they do to you. I have enveloped you in My Love. You are perfectly secure in My Love. Nobody and nothing can separate you from My Love. Nobody and nothing can separate My Love from you. You are My Love.

You are in Me and I am in you. Let your only concern be loving Me and loving all with My Love. Everything you love with My Love you are

restoring it to My Love. Restore all to My Love. Win all in and to My Love. Go and meet all and embrace all in My Love. My Heart is your heaven on earth. My Love is your heaven. Heaven is in your midst. Heaven is My Love. My Love is in you. My Love lives in you. I am your heaven. I am in you. You are in Me. You are Mine. Remain in Me. Nothing will separate you from Me.

Nothing can separate Me from you, only your will, but now I have your will. My Will is your will. My Will is in you and your will is in Me. Your will is perfectly united to Mine. This is the level of sanctity I want such that you will only exist in Me and I live in you. You are perfectly united to Me and I am united with you. You are in union with Me and with the Father and with the Holy Spirit. You are in union with My Mother and with all My

Angels and Saints. Where you are there I am, and where I am there you are. You are Me. I am you. We are one. You in Me and I in you.

In you, through you, and with you I mean to win and draw all souls to My Love, to Me, to the Father and to the Holy Spirit. My son, love the Father and the Holy Spirit with one and the same Love with which you love Me, that is, with My Love. We are one. To love is to love the Father and to love the Holy Spirit. Yet it is good to express it clearly: I love You, My son. I love You, Father, I love You, the Son of God, I love You, Holy Spirit. In loving the Father I am loving Myself, in loving the Holy Spirit I am loving Myself. In loving the Father and the Holy Spirit I am loving Love. The Father is Love. The Holy Spirit is Love. I am Love. We are God, God of Love. God Love. We are Love. We are

Love. We are Love. You belong to Us. You come from Me. You come from Us. Our life is only Love.

Our Love is life. To love Us is Love and life. To love the Father is life. To love the Holy Spirit is life. To love Love, to love God - Love that is life - to live Love, to live in Love, to live in God, that is eternal Life. I have offered all men eternal Life. I have created and offered all souls, all hearts, all persons the eternal life.

God is eternal Love and eternal Life. Be in Me. I am in you.

Tell all the members of My Heart of Love that they are members of My Love and members of My life. Tell them that I belong to them and that they belong to Me. They are in Me and I am in them. Tell them that pure and holy life, pure and holy Love is absolutely necessary to remain in Me. I want them

all to remain in Me and grow in Me. I in them and they in Me.

I want to be one with them. I became one of them so that they will be one in Me. I in them and they in Me. Just as the Father is in Me and I am in the Father, and the Holy Spirit is in Me and I am in the Holy Spirit, and the Father is in the Holy Spirit and the Holy Spirit is in the Father. We are one and all! One in all and all in One. So I became man, one with mankind, so that mankind will be one with Me - one with Us, with the Father and with Me and with the Holy Spirit.

My son, My plan for the fulfilment of all is the plan for the fulfilment of all things in Me, in Love, in Life, in the Holy Spirit, in the Father. It is the eternal plan for the creation and salvation of all in the Love and Life of God. God is Love, God is Life, all find their fulfilment in Love, in Life. I am

Love and Life. All find their life and Love in Me. Without Me there is no life and no Love.

I love all, that is why I have given Life to all: and I have given life to all because I want to draw all to My Love, to unite all in My Love. I am One and All, the Beginning and End, Alpha and Omega. All is in Me. All will be one in Me and I am all in all.

The message and work of My Hearts of Love is the message and work of Love, the message and work of life; the message and work of oneness. I in all and all in Me. I am one in all, and all is one in Me. You are one in Me and I am one in you. My Love, you are Me. I am you, We are one.

MESSAGE TO THE MEMBERS OF MY HEARTS OF LOVE

September 1999

My members, members of My Love, members of My Body, members of My Heart, members of My Blood! It is the same Love between Me and My Father and the Holy Spirit, it is the same Love which united Me forever with My Mother. It is the same Love which exists between Me and you, between Me and every one of you. I love you all with one and the same Love. I am Love and I do not change. I am God of Love, your God, You are all children of My Love. I begot each and every one of you with My Love, with My Heart of Love. Darling children of

My Heart. My Heart is your home. My Love is your life. Live the life of Love always and everywhere, life of prayer and works of Love. I repose My confidence on you. I entrust you with the deepest secrets of My Heart. I burn with the Love for you - each and every one of you. My Love is all for you.

Do not be worried. Do not be afraid. As long as you remain in My Heart of Love - My Heart and the Immaculate Heart of My Mother ever united and one in Love - you are secure. The devil has no power over you. No catastrophe will, no catastrophe can, nothing can destroy you in My Love as long as you remain united with Me in My Heart of Love.

Montfort, My Love! Unite all My children in My Love. Gather all My children in My heart of Love! Unite all in My Love. This is urgent. Pour the Blood of My Love on all. Love all

with My Love. Love is. It is Love. It is only Love. Love is all. Love is that which unites you and all My children with Me and My Father and the Holy Spirit, with My Mother and with all the angels and saints, with all in heaven and all the redeemed on earth. Love is all. Love is that which separates you from the devil. The devil cannot love. The devil cannot love Me. It cannot love you. It cannot love itself. The moment it loves it ceases to be the devil.

Kill the devil with Love. Destroy the devil with Love. As long as you remain in My pure and holy Love, united in pure and holy Love with one another, the devil has no power. You are very very very secure in My Love. The best and highest security for you is in My Heart of Love. Remain in My Love. Remain in My Heart of Love.

The Triumph of My Heart of Love is there. My Love is in you. The Reign of My Heart of Love is coming among you. Remain ever united with Me and with one another in pure and holy Love. I am in you. I am for you. I am with you. I am. I am. I am: through this Prayer, Prayer of My Heart of Love.

This prayer is the precious gift of My deepest and Infinite Love. Storm the world, the whole world with Prayer, with this Prayer of My deepest and Infinite Love: Prayer of My Heart of Love. It is I Myself who am this Prayer. Storm every where and every body with it. Let it reach every heart and every home. Do not delay. Put it into every language and every culture.

This Prayer and works of Love, say this Prayer everywhere and every time and do works of Love every where and every time. The world of creation is Mine. I give you all to be My Love in

the whole of My creation. Be My Love every where. Carry My Love everywhere. Do not be afraid. You cannot hurt anybody with Love.

This Prayer is My Love. My Love cannot be desecrated or destroyed. Nothing can do that. My Love can be rejected but My Love cannot be desecrated, cannot be destroyed. My Love is Me. I am My Love. I am God of Love.

This Prayer cannot be abused. I Myself I am the security of this Prayer. Pour this Prayer like rain on all good and bad.

Storm the whole world, all creation with it. Through this Prayer My Love reigns. Through this Prayer and works of Love My Love reigns. Love is life and all life is about Love. Without Love there is no life. The meaning of

life is Love. Life finds its only and ultimate fulfilment in Love. I am Love.

My child, do not delay. Never, never, never doubt. Teach all to pray and do works of Love. Let all pray and do works of Love. Through My Love I will win all to Myself. When I am raised up I will draw all to Myself. I am God and God of Love. I am Love. Let all come to Me.

Separated from Me they are lost. United with Me they are saved. This union with Me in My Heart of Love is already there in this Prayer and works of Love.

My child! My children, never get tired or worried or angry. Remain always cheerful, full of joy and happiness and hope which comes from the depths of the Heart.

My Love is all for you. All you need is My love. All you be is My Love. Outside My Love you are not, you are nothing. In My Love you have the fullness of Life and existence. You are fulfilled.

I want your happiness here and hereafter. I want your fullness of Life here and hereafter. That is only possible with union with Me, in My Love. Come! Come! Come! Come to My Love! Come deep into My Heart of Love.

This Prayer cannot be said too much. Love cannot be loved too much. There can never be too much Love, excess Love. There can never be too much Prayer, excess Prayer.

Let every heartbeat say this love, say this Prayer. Let everything say this Prayer, say this Love, express this Love.

Let everywhere be filled with this Prayer, with this Love. Let everywhere be aflame with My Love. Let everything proclaim My Love.

Oh My Love is all. My Love is all in all. My Love! In My Heart of Love! I love all. I love all. I love all. Let all come to My Love.

Prayer of Love is prayer of the new time. Prayer of the Hearts of Love is the Prayer of the new age! Love this Prayer! Prayer is Love! Love is Life! Prayer is Life! Life is Prayer. Life is Love. Live Love, that is all.

Thank you for listening to Me and loving Me. Thank you for coming to Me. Thank you for loving Me. I am Love. I will turn you into flaming fires of My Love. My Love! My Love! My Love will reign. My Love reigns. My Love reigns in heaven. My Love will reign on earth. Oh My Love reigns. Oh

My Love will reign. Oh My Love
reigns.

CHRIST THE KING

Message for the whole world

20.11.2005

My son, this is My message for the whole world.

I am He who am the Beginning and the End, the Alpha and the Omega, the Creator and the Saviour, the Planner and the Fulfiller, the One and the All, the First and the Last. I am He who is, was, and will be.

I have come to take care of Mine and all Mine. The whole creation belongs to Me. All that exists comes from Me, from My Love.

I am Love and the God of Love. I am Love Myself and all I have made is out of Love. My Love is the beginning and end of all. I have planned it from

the beginning that all will find fulfilment in My Love, and only in My Love can anything that is, find the fulfilment of its being.

More especially, only in My Love can any soul or any person find salvation and fulfilment. Nothing can be saved outside My Love and all are destined for salvation and fulfilment in My Love.

I love all that I have made, and will always love all I have made, for I am Love and Love and Love, Infinite Love. It is My eternal desire to bring all My creation to eternal fulfilment in My Love. It is My eternal Will to establish the reign of My Infinite Love in all My creation – even among non-living things. It is My lasting and eternal Will which I have decided to realise and bring to perfect fulfilment.

I am God and no other. I will establish the reign of My Love in My entire creation. There will be peace and Love reigning in and around, with and through all My creation.

I have already established My Kingdom in heaven, My eternal Kingdom in heaven among My angels and saints. Now it is My eternal desire to establish the same reign of Mine on earth, where My Will will be done on earth as it is in heaven.

I mean that all My creation will enjoy the loving presence and reign of My Love. I am Love and the God of Love and the God of All. By Myself I have decided it and I will bring My eternal plan to perfect fulfilment.

Now I have sent My Son into the world as man to show all men - all My creation - how much I love them using the human manifestation that they will

understand and follow. I called all to follow My Beloved Son, to be united with Him.

It is My Will to unite all things in Him, things on earth and things in heaven. It is My eternal Will to establish My Kingdom as the Kingdom and the reign of My Son, My Only Begotten Son and to bring all to love and honour Him.

I gave Him a Name which is above every name, that at the mention of His Name, **Jesus Christ**, every knee should bow and every head prostrate and every tongue confess that Jesus Christ, My Son, is the Lord.

Let nobody think, that he can please God if he does not love and worship My Son, the Lord Jesus Christ. Any person or soul or creature, spiritual or material or otherwise, that refuses to love and serve and honour and

worship Him and be united with Him – the One Lord Jesus Christ – has already condemned himself/herself to eternal separation and discord and hatred and therefore to eternal punishment.

Every person, every soul, every spirit, every creature in heaven and on earth and under the earth and everywhere in My entire creation, must serve and honour and worship My Son forever and ever.

That is My eternal Will. This I have decreed from all eternity, out of My infinite Love. Only in Him and with Him and through Him do I want to create and save and fulfil all My creation in heaven and on earth.

Nobody can come to Me without Him. He is the Only way, the truth and the Life. Him alone have I sent as the perfect image of Myself, He

alone is My Begotten Son. He alone is Lord. He alone is the Saviour.

Only in Him and with Him and through Him anybody, any creature in heaven and on earth can come to Me. In Him, through Him and for Him, I have made all things and will bring all things to fulfilment.

My Love, write what I tell you: it is the eternal and unchanging truth, truth of life, truth of Love, the eternal truth of God. I alone am God. And you are My Love.

Now is the time for the Reign of Love and We (the Most Holy Trinity of Love) have sent you to establish the reign of Love in all creation, in every heart and soul, in every person. We have sent you to enkindle the fire of Divine Love in every heart and home and community, in every soul and

every person, in every creature, in all creation.

My Love, let the Splendour of your God shine in you and through you to all creation. Live the life We have ordained for you and sent you to live. Live it fully and uncompromisingly, and let all see the glorious Splendour of your God, your Love and your All shining in you. (*My God, My Love and My All.*)

Love is Divine. Love is of God. God is Love. And all are called to Love, because Love comes from God and Love is of God and God is Love and Love is God. God from God, Light from Light, Love from Love, True God from True God.

**The Kingdom of God
is the Kingdom of Christ His**

Son
and the Kingdom of His Love.

MESSAGE ON THE HOLY EUCHARIST

March 2000

My people, the people of My Love:
I am your God. I am your Love. I am
your Jesus Christ, I am the Holy
Eucharist. I am not only present in the
Holy Eucharist. I am the Holy
Eucharist. The Mass you celebrate is
Me. The Blood you drink is Me. The
flesh you eat is Me. I am the Holy
Eucharist. I am the Eucharistic God. I
am the Eucharistic Love. No greater
Love can anybody possess and give as
the Eucharistic Love, which I give you
in the Holy Eucharist. I am the Holy
Eucharist.

It has been My eternal longing to
give Myself to You wholly and
entirely. I created you out of nothing. I
called you to be My people. I made

you My own. Now My people, listen to your God. Now My people, come to your God.

The Holy Eucharist is My gift of Myself to you. The Holy Eucharist is the gift of all that I have and all that I am in the simplest manner, the most comprehensive manner. I have given Myself to you. My Love, My beloved, My people. I, your God, have given you all that I am, all that I have in the Holy Eucharist.

Why did I do that? It is because I am Love. I cannot but love. It is because I love you. I made Myself available to you in the simplest, most comprehensive form. My People: Do you understand what I have given to you? When I was washing the feet of My apostles at the celebration of the Eucharist, they did not understand what I was doing to them. I told them they would understand it later. And they did

understand it to some extent. It is Love. It is service.

I give Myself to you in order to save you. I give Myself to you in order to serve you. Service. I give Myself to you in order to redeem you from your sins. I give Myself to you in order to unite you to Myself. I give Myself to you in order to unite you to My Father. I give Myself to you in order that My Holy Spirit will live in you. I give Myself to you so that My Love will live in you.

That is the same Love which is in Me, between Me and My Father, between Me and the Holy Spirit, the same Love will be between you and Me. I give Myself to you so that your Love for each other will be My Love, so that the Life in you will be My Life, the Love in you will be My Love. I give Myself to you to draw you and unite you to Myself. I give Myself to

you so to unite you with all in Heaven; with all My angels and saints. I give Myself to you in order to change you, to change the face of the earth and to recreate you.

At every mass there is a new creation, a recreation, a renewal, a complete renewal of all who participate at mass very, very devotedly, with open hearts and mind. They are completely taken up in light, in unapproachable light, in a wonderful light. They are all purified and sanctified. I have come to set fire in the world, how I wish it were burning.

The fire of My Love. This fire will cleanse all evil. This fire will bring all good. It will remove every taint of hatred, wickedness and sin. This fire will establish the reign of Love in every heart, in every home, everywhere in the world. I have come to set fire in the whole world. How I

wish it were burning. Let it burn. It should burn. It will burn. It must burn - the fire of Love. I am the Eucharist.

The Holy Eucharist is Heaven in your midst. I am your Heaven. I am Heaven in your midst. You all want to go to Heaven, but Heaven **has come to you**. You all want to see Me, to see God. But I have made Myself visible to you in the Holy Eucharist. I am Heaven. I am your Heaven. Heaven in your midst. Do you expect to meet any person more glorious in Heaven than Me? Do you expect to get a joy more glorious in Heaven than from Me?

My Church, My people, My beloved, love Me. Accept Me. Eat Me. Worship Me. Be with Me I am with you.

The worst sin of My Church, the worst sin of My people, the worst sin of My beloved is the neglect of My

Love, especially in the Holy Eucharist. The worst sin of My priests is to celebrate the Holy Eucharist without Love. The worst sin of My people is lack of belief in My Love in the Holy Eucharist. The worst danger to My people is forgetfulness of what I have done and what I have suffered for them in the Holy Eucharist. The worst danger to the existence of the world is what some stupid people say - is the abolition of the Holy Eucharist.

Any move by any person or group of persons to remove or reduce the Love people should have for the Holy Eucharist is not from God. Any move by any person to remove or reduce the respect, the worship, the honour given to Me in the Holy Eucharist is not from God.

It is the work of My enemy who does not want to see Me honoured; who has sworn never to see Me loved.

My enemy is very active in some of My members. As he was active in Judas who blamed Mary for anointing My Body with oil, with precious oil. He suggested selling it and giving it to the poor. So (he thinks) that what is spent on Me is a waste. How can My people say that: that the time spent for Me is a waste? That the Love given to Me is a waste? How can My people say that?

But there are many people who think that way today. They think they are proclaiming My Word. The time spent with Me, the time spent to Me..., everything given to Me by every person in the Eucharist is the greatest sacrifice you can make. To unite your sacrifice with Mine in the Holy Eucharist is the greatest sacrifice you can make. To come to Me in the Holy Eucharist; to stay with Me here; to love Me direct (in the Holy Eucharist) is the

greatest possible act, the most glorious act human being can perform in the world. The reward is even infinitely more than any person can imagine.

There is no greater Love than the EUCHARISTIC Love. There is no greater worship possible in the world than the Eucharistic worship. It is the Worship of HEAVEN: It is the worship of the TRINITY. It is the worship of God direct.

I have made Myself available to you in the form of bread and wine so that you will have the easiest access to My Love, complete and absolute and direct.

Please, My dear children, do not let anybody whatsoever distract your Love for Me in the Holy Eucharist. My Heart bleeds to see how children are being taught not to honour Me in the Holy Eucharist. I weep.

Any celebration of the Holy EUCHARIST without Love is worse than My crucifixion. It is more painful to Me than the whole of My suffering, which I endured for you to the point of dying for you on Calvary. Any celebration of the Holy Eucharist without Love, without respect is so repulsive to Me, it gives Me such a terrible pain, worse than all the pains I suffered during My earthly life. Love the Sacrament of Love. Love your Love. Love your God. Love Me. Because I love you.

Any unworthy reception of the Holy Eucharist is so repulsive to Me! More than any repulsion and rejection I have suffered during My earthly life. My people, why do you still let Me suffer? Why do you still crucify Me daily? When will I stop dying for you? When will I stop suffering for you? (*Jesus weeps bitterly*).

When will I enjoy My Love for you? When will I start being loved by you? When will you start loving Me? Why are you still breaking My Heart? Any breaking of Bread without Love is worse than the piercing of My Heart, what the soldiers did. My people, love Me, call Me Love. Come to My Love. My beloved people. I will never stop loving you. I cannot stop loving you. I must always love you. Love is My law. Love is My life.

Nothing pleases My Father more on earth than Love for Me in the Holy Eucharist, listening to Me in the Holy Eucharist, coming to Me in the Holy Eucharist.

The greatest action of My Holy Spirit is My Incarnation. The greatest Action of the Holy Spirits is the transubstantiation of bread and wine into My Body and Blood. The greatest sacrifice, the greatest offering, the

greatest participation of My Church in My salvific act is in the transubstantiation of bread and wine into My Body and Blood. The Church is truly My Church, My Church is truly My Church, My Church is wholly My Church, My Church is My Holy Church, My Church is faithfully My Church, My Church is sincerely My Church when My Church celebrates the Holy Eucharist.

Any other act that My Church does comes from the Holy Eucharist and flows to the Holy Eucharist into the world. My Church, why are you forgetting your identity? Why are you forgetting your foundation?

Why are you neglecting your roots? My Church, you are nothing without Me. My Church, anybody who tries to establish any form of worship that removes the Holy Eucharist, any form of worship that reduces the Holy

Eucharist, any form of worship of God that does not flow from and flow to the Holy Eucharist is not from God, it is not from Me.

My Father is present in every Holy Mass. My Father is present everywhere that I am. He is not present in the form of bread and wine, but He is present wherever I am. He is present to Me, for I and the Father are one - We can never be separated. My Holy Spirit is present at every Holy Mass. My Holy Spirit is present at every Eucharistic celebration - My Holy Spirit is present at every Eucharistic celebration. My Holy Spirit is present at every Tabernacle in the whole world - He is there for He is My Spirit. He cannot be separated from Me. He is not present in the form of bread and wine. It is only I, Jesus Christ, Who am present in the form of Bread and Wine. It is My Body. It is My Blood.

My Father did not become man. My Father did not and will not become Bread - My Father did not change into wine, wine and bread, but My Father is always united with Me. He is always there, We are one. When you receive Me in the Holy Eucharist, you are receiving My Father, when you worship Me in the Holy Eucharist, you are worshipping My Father, when you receive Me in the Holy Eucharist, you are receiving the Holy Spirit.

The greatest joy of My Mother Mary is to bring people to the Holy Eucharist - You remember the miracle at Kana. That miracle is a miracle that points to the Holy Eucharist. What did My Mother say: DO WHAT HE TELLS YOU! Because of the unity she has with Me, she knows the culmination of My salvific act and pointed Me to it. Everybody who loves My Mother Mary must love Me in the

Holy Eucharist. The changing of water into wine is a foretaste, it is a pointer to the Eucharist.

People do not believe any more that I am God. Lack of respect for Me in the Holy Eucharist is lack of respect for God. It is lack of belief that I am God, that I am almighty, that I can do everything. Why are some people doubting that I am really present, that My Body and Blood are there? Do they not believe anymore that I am God, that I am God the Almighty? That I can do everything?

Oh, My people, if only you know how much you pain Me with your little belief... It is this little belief that would have let Peter be drowned in the sea. I asked him to come to Me. He actually started coming to Me, walking on the water, but then he began to doubt. I ask you to come to Me, come to My Love.

Why are some people doubting that I am really present here? It is Me! Peter said: Lord, if it is You - ask me to come. He was coming with strength, but midway he began to doubt.

Let Me assure you, the Holy Eucharist does not depend on your believing in it or not. It is not your faith that makes Me present in the Holy Eucharist. The Holy Eucharist does not depend on your loving Me or not. It is not your Love that makes Me the Holy Eucharist. The Holy Eucharist does not depend on your holiness, your purity or holiness. The Holy Eucharist, My presence there, that it is Me, does not depend on your believing in it or not. It does not depend on your loving Me or not. It does not depend on your worthy reception of Me or not.

IT DEPENDS ON ME. ON ME
ALONE,
ABSOLUTELY ON ME.

But your benefiting from it depends on your Love, on your faith, on your hope. Peter's faith made him benefit from My presence and he was coming to Me over the water, then Peter began to doubt and began to sink.

My people, do not doubt so that you do not sink. Do not doubt that I am present, that it is Me so that you do not sink. Come to Me with Love, receive Me with Love. Accept Me with Love. There is no greater joy for My angels and saints in heaven than to see Me honoured, respected, loved and received in the Holy Eucharist. Anybody who receives the Holy Eucharist with Love, purity and

holiness is automatically in the company of the angels and saints.

My Son, preach Me - My Son, defend Me. My Son, let the people realise that it is Me. The worst sin of My preachers today is not to preach Me, My presence, not to preach My honour, not to preach My holiness, not to preach My power of redemption - They preach weather, they preach change, they preach nothing.

Please preach Me. It is Me who you should preach. It is Me whom you will proclaim. Any preaching that does not preach Me is worse than useless. Let all My priests preach Me, Let all My people come to Me. Let My whole Church receive Me. Let My whole creation worship Me. I am God in your midst.

I, the Holy Eucharist, I am the life of My Church. I am the life of My

people. I am the life of the world. I come that they may have life and have it in abundance. I give you everything I have, completely, absolutely, so that you may have life. My people live in Me. I live in You, for separated from Me you are nothing. Do not let anybody or anything separate you from Me. Let nothing whatsoever separate you from the Eucharistic Love, be it persecution or hunger or... Do not let anything whatsoever separate you from Me. What is it - sickness? That should rather bring you closer to Me, deeper in Me.

Everything you do let it be done out of Love of Me in the Holy Eucharist. Come to Me daily.

Daily Communion, daily Communion! I love it. I want it. Come to Me daily, do not stay away from Me. Come to Me, come and receive Me daily. If it is difficult for you to receive

Me daily sacramental, then receive Me spiritually daily. But please, do not let any day go without receiving Me in the Holy Eucharist. Please do not let any day pass without receiving Me in the Holy Eucharist.

If you cannot receive Me sacramental, receive Me spiritually. Wherever you are wish..., wherever you are, unite yourself to Me in the Holy Eucharist and I will come to you. Open your heart and your mouth and I will come to you.

During the prayer of the Hearts of Love always wish to unite yourself to Me in the Holy Eucharist. When you say especially: "O Hearts of Love! Consume Me. I am your victim of Love!" it is Eucharistic prayer. You consume Me and I consume you. You eat Me and I eat you. You unite yourself to Me and I unite Myself to you. Whenever you are saying it, think

of Me in the Holy Eucharist. Consume Me and I will consume you. You live in Me and I live in you.

My Love for you grows infinitely more and more; Your Love for Me grows infinitely more and more when you live the Eucharistic Love. The love of the Hearts of Love is Eucharistic Love.

It is from the Eucharist, it is from My Love in the Holy Eucharist that you draw life. Do not let anybody excommunicate you from Me. For cut off from Me you are dead. Do not let anybody or anything put you into sin, mortal sins are excommunications. By that you cut yourself off from Me. By that you are dead, dead in sin.

But no matter how deep you fall into sin, open your heart, open your mind, open your Spirit to Me and say: My Jesus, I love. My Love. I love you.

My Love! Call on Me: "My Love" and I will redeem you immediately, you will never be lost. There is nobody who calls on Me in Love who will get lost. No matter how deep your sin may be, no matter how long in sin you may be. No matter how forgotten in sin you may be: Call on Me in Love, no matter where you are and I am there.

My Eucharistic presence in the Church is My omnipresence everywhere. The Holy Eucharist is the sacrament of My omnipresence. My Eucharistic powerlessness - I am there as bread that you can eat, touch, break, you can even throw away, you can even ignore, you can even say anything against and do anything against and I will be looking at you - is the sacrament of My Almighty power. I am God Almighty. Come to Me now and you will be with Me forever. Unite yourself with me now and you will

unite yourself with Me forever. My Love is eternal. My Love is Me. My Love is eternal. My Love is Me. My Love I am. I am. I am. I am. I am He who am.

Many people today think that they can do good works without Love and benefit from it. Just as faith without good works is dead so what people call good works without Love is dead. Good works will be done with Love. When you visit the sick you do it out of Love. When you help the poor you do it out of Love.

There are many who visit the sick and inject in them lethal drugs and they kill them. There are many who help the poor and their help is to kill them. There are some who come to poor people as if they are helping them, but they make them slaves, they make them poorer, slaves.

Good works without Love are dead. They are useless. It brings nothing. Do your good works out of Love. Love is selflessness. Do it for the good of the person. You do it out of Love for Me. I am Love.

Let the life you draw from Me, the Holy Eucharist, flow into everything you do, everything you say, everything you think. "Bring people to the Love of Me." means: Love all with My Eucharistic Love and bring all to My Eucharistic Love, to the Love of My presence. (*My God, I Love YOU.*) The Love of My unity. The Love of My unity with him - to unite him to Me. Unite all to Me. All will be All. All will be one. All will be one and all in Me. I am the One and the All. All will be one in Me.

THE ONLY SOLUTION OF GOD

September 2004

Work hard now and achieve all I want you to achieve. The time is short but you have so much to do.

All souls must be touched. Every person must receive enough opportunity and chance to meet Me in My Hearts of Love and have enough rich information and offer and invitation to come to Me and unite himself or herself with Me.

Then the decision to be with Me or against Me must be made in full consciousness of the implications and benefits and blessings and losses and gains and consequences and curses.

Let them have ample and full

information and enough chance to make their decision for Me and My Hearts of Love or against Me and My Hearts of Love.

Let no human being say: I have never heard that there is something like God, Love, Hearts of Love. Let nobody say: I have never heard that there is something like the Holy Eucharist. Let nobody say: I have never been told of the implications or the benefits and blessings of the Hearts of Love. Let nobody say: I have never heard of the union of the Two Hearts of Love and I have never been told,, that I should unite Myself to these Two Wounded and Bleeding Hearts. Let nobody claim ignorance that this solution is from Heaven, from God.

Let nobody say, that he/she has never heard **that this is the Only Solution from God**, revealed to a small child, as the only solution for the

redemption of all, for the salvation of the whole world.

My Love, this is what you have to let all and sundry know. Nobody is excluded from My Love. Nobody is exempt from Salvation. Nobody is exempt from full information about My Hearts of Love.

My Love, do not allow the enemy to continue to spread lies about My Hearts of Love and in this way prevent people from accepting Me in My Hearts of Love and coming to Me and uniting themselves to Me in My Two Wounded and Bleeding Hearts and being secured for Eternal Life.

This My plan for the Salvation of all must be made clear and available to all. Nobody has the right to withhold such most important and saving, redeeming, fulfilling truth

**from My people, from any person,
from any soul.**

This is for the redemption of souls and all souls have the inalienable right to this knowledge of Salvation. Nobody for any reason whatsoever has the right to withhold this most useful and eternally and infinitely important truth of life, Love and faith and hope from any soul. All souls are created for salvation.

Please, My son, work hard and let all souls receive this information in its purity and fullness and freedom and holiness. Let every soul, that can make decisions, be in the place to make clear and informed decisions.

On this depends the Eternal Salvation of many, not only of the person himself /herself but that of those around him/her and those going before

him/her and those coming after him/her.

My Love, let nobody distract you from this Mission. All who distract you will regret it. All who prevent it or fight against this Mission of Love, this School of Love, this Reign of My Love, they will all regret it. I want them to accept Me in My Hearts of Love.

Accepting Me in My Hearts of Love is like accepting Me in My Incarnation, accepting Me in My Most Holy Eucharist, accepting Me in My Love, accepting Me in My Hearts of Love.

Refusing to accept Me in My Two Hearts of Love is the same as refusing to accept Me in My Love, refusing to accept Me in the Most Holy Trinity of Love, refusing to accept Me in My Incarnation, refusing to accept Me in My Most Holy Sacraments especially

the Most Holy Sacrament of the Holy Eucharist.

It has the same consequences as refusing to accept Me in My Church, refusing to accept Me in My apostles and prophets and saints and angels and servants and in My Son and My Love, whom I have sent to My people, to My creation. I want to save My entire creation. I want to save all souls. I want to save My entire Church, My entire people, My entire Church.

Let all know, that I have this fixed Eternal and Infinite Will to save all in My Love in and with and through My Hearts of Love!

Let all hear this clearly and let all receive the invocation, let all receive **the invitation to come to Me and unite themselves with My Love, with My Hearts of Love, with My Two Wounded and Bleeding Hearts of**

Love. I am with you and all those with you both now and forever and ever. Amen.

My son, do not be afraid to give this truth as I give it to you. This is absolutely true – the truth. This truth is absolutely and infinitely truthful. My Love, remain in My Love. Remain the truth of My Love. Let all see the truth of My Love in you and through you.

They have made every effort to spread all sorts of lies and warnings and hindrances about you and around you and even attacking those who are with you.

My son, arise and defend Me. Defend the truth that I am. Defend the Love that I am. Defend the Holiness and the Purity that I am. Live Me and defend Me. Let Me live in you, live you and defend Myself in you. Let Me live you and defend Me in you.

It is the same enemy who does not want people to come to the knowledge of the truth and so come to the knowledge of salvation. It is the same ancient and ferocious, sworn enemy, who is trying to prevent the Truth of Love of the Hearts of Love to shine and is very, very busy spreading the terrible black cloud and stench smoke of lies and doubts and distraction and even warnings and persecution against Me, against you and against My Society. But do not be afraid!

My son, this is the time for the victorious triumph of My Love, of My Hearts of Love, over all forces of evil and darkness and wickedness and hatred and sin.

My Love, please do all I bid you and avoid all I forbid. I love you with Eternal and Infinite Love and in the same way I Love all who are with you and follow you, My Love.

It is the same ancient and sworn enemy who tried to prevent My becoming Man, who tried to instigate Herod to butcher Me and massacre the children of Bethlehem, who entered the hearts and minds and souls of all those, who opposed Me and rejected Me during My earthly ministry. It is the same enemy, who spread lies and calumny against Me, the same enemy who took terrible offence with My curing people and works of mercy and preaching and miracles and raising the dead and cleansing the Temple.

My Love, it is the same enemy who wanted to prevent My ascending the Cross by suggesting an alternative to the Most Holy and Loving and Eternal and Absolute and Infinite Will of the Father. I love the Father and I love all the Father wills. I love and live the Will of the Father. My son, love Me and love and live My Will.

It is the same enemy who wanted to prevent My incarnation, wanted to destroy Me when I became man and was born of the Virgin Mary, who attacked My Immaculate Virgin Mother and wanted to kill Her and destroy Her, the same enemy who did all to oppose My preaching, My work and mission, distorting My words and works and imputing terrible evil motives to My Will and intention, who took over the people, even Judas, My apostle and pushing him to sell Me and betray Me with a kiss.

My son, My Love, be careful. It is the same evil that is incessantly fighting against My Hearts of Love devotion, society, congregation, family, messages and prayer and life.

Do not be worried. Do not be afraid. I have conquered him and I have conquered the world. You are standing on My Victory. You have

inherited fully My Victory and Triumph. Let all know this. Let the enemy and also all friends know, that you come from Me and have inherited all I have for you, for this Mission for the Salvation of each single soul and the Salvation of all souls.

It is the same enemy who fought to eliminate Me, to distract Me from the Will of the Father, who tried to force Me to deny the Oneness with the Father – they will do the same, even worse to you. But remain strong and steadfast. It is the same ancient sworn enemy who tried to rob My death, My sufferings, and the great infinite Graces and Redemption and Salvation of all and Union of all in Me, Jesus Christ, all in Heaven and all on earth.

My Love, My son, it is the same enemy who tried to prevent My coming and never succeeded, who tried to kill Me as a baby and never succeeded,

who tried to prevent My preaching and work of mercy and healing of souls, spirits and body, the same ancient enemy who tried to cause My early death and prevent My resurrection – putting chains and soldiers to watch and prevent the event. When they woefully failed they resorted to lies and distortion and persecution and killing of my witnesses, My followers, My apostles, My members.

They are prepared to repeat the same ancient war of hatred and distortion and destruction and lies and damnation of souls who would follow him and his lies, instead of Me who am the Truth, the Way, the Life.

My Love, My Child, do not be afraid or worried no matter how the enemy tries to distract you. Remain firmly fixed on Me and eternally and infinitely, unconditionally united with Me. My Love must reign. My Hearts of

Love must win and have the victory and triumph.

It is the same enemy who is publishing lies about you and spreading them with the intention to prevent people from coming to you and uniting themselves to My Two Wounded and Bleeding Hearts.

My Love, do not be worried, just continue living the Life of Love in the Hearts of Love and bringing all to the Love of Me. My Love must reign. The lies of the enemy and the wickedness, hatred and sin will never have the upper hand.

No, it is I the Lord your God, the God of Love of the Hearts of Love, I alone am God. There is no other. You are My Love.

I will bring all I have planned from all Eternity, all I have prepared, all I

have promised to perfect fulfilment. My Love must reign in you as in Me, My Love must reign on earth as it is in Heaven. My Love must triumph and reign in all and all in all. I am with you both now and forever and ever. Amen.

My Love, I will bring the lies of the enemy to face the light of Truth and all will be exposed. My Love, do not be afraid to own Me as I am not afraid to own you. You call Me “My God, My Love, My All”.

My Love, remain firm and steadfast in My Love. Remain steadfast and unchanging, unwavering – I am with you both now and forever and ever. Amen.

My Love, the time has come for you to bring out all you have and to set to work with all the talents and energy.

I have endowed you to bring about the Reign of My Hearts of Love in the whole world.

Do not be afraid of anybody or anything, just do all I bid you and see that all who follow you do exactly what I tell you.

I do not want any parallel organisation. Everything about My Hearts of Love must flow through you and to you, to Me. This is the way I want it.

Just as the Eternal Father Himself has established it, that everything flows to Me and through Me to Him. He has planned to unite all things in Me, things in heaven and things on earth. So I have planned to unite all things in Me through you and with you in My Two Hearts of Love. You are Love. Love is the bond of unity. All things in heaven and on earth are united

in the one bond of infinite and eternal Love, God is Love and all things are united in God, in Love and through Love. You are the Love of God. God is the God of Love.

My Love, now you must know that the enemy has sent many forces visible and invisible to watch closely what you say and do. Do not be afraid. This is the opportunity to teach all even the enemy, what My Love is, what My Hearts of Love is. Now be prepared both for the worst and the best.

But please, make yourself free to receive all I have to give you and give to others, all I have given you for them. Especially My Family of the Two Hearts of Love, they need steady nourishment from you. Please, My Love, care for and feed My beloved children. Give them their food at the right time. I am with you both now and forever and ever. Amen.

My Love, do you not know that the whole world is waiting for the revelation of the Hearts of Love?

I, Archangel Raphael, I have brought to you the power to heal all. **I Gabriel,** I have brought you the power to preach and convince and win all to the Love of God. **I Michael,** I have brought you power to pray and fight with God and for God and to win all battles with prayer - the weapon of God, with prayer and adoration, with Love and with praising and worshipping and thanking God. With remaining in the presence of God, loving, obeying, worshipping, adoring and serving Him with all He has given you and all He Will give you, by doing His Holy and Eternal Will. It was I, Michael, who saved the Angels from total destruction which was what Lucifer wanted. He knew from the very beginning, that he cannot win any battle

by revolting against God. What he wanted, was a sort of general suicide, that the generation of Angels should be abolished.

Such a terrible hatred of himself and all the Angels, all the creatures of God in the nature of Angels, such a terrible hatred of God! His scheme was to destroy himself and destroy all angels with him and thus try to force God to change His Eternal Will. The madness of hatred and terror of self-destruction and the catastrophe of disobedience! He has already got one third and was coercing others trying to make them use their free will against God and therefore against themselves.

Then, I intervened and declared openly that I will serve the Lord, My God, and He alone - His Will alone I will do. He declared war against me and those following me who remained on the side of God. He did not and

cannot reach God to fight against God. Who is he to reach God, to touch God? All he did was to destroy himself and the angels and destroy God's plan for His creation – God's holy and ever-loving plan for the entire creation. I intervened.

God lives in unapproachable light and Love. Even in heaven there is a radical natural demarcation between the Divinity and the creatures. Creatures and the Divinity are never the same not even in heaven, for even in heaven God sits on His Throne of Glory and lives in unapproachable Light of Love.

This continues drawing you infinitely to Himself like a magnet. It never stops fascinating and drawing but you never enter into it. But the ecstasy of this pull is indescribable and the infinite ways God provides the

joy, the fulfilment and the ecstasy in this drawing.

So, what the devil Lucifer did was to try to go in the opposite direction away from the Will of God, the pull of God, the magnet of God, the Love of God, by using his creaturely free will to oppose and refuse the Loving pull of the Will of God and setting his creaturely will against the Eternal Will of God, and thereby teaching some Angels the possibility of going against the Will of God by refusing His Loving Will. Preferring their own useless self destructive will to the Eternal and Loving Will of God.

By my intervention I saved not only the angelic being, but all other existences from being used by the devil Lucifer against their nature and therefore against God's Most Holy and Perfect Will.

How did I do it - by the Love of God. God poured His Love into my little soul and my spirit was filled with the splendour, the Love and the majesty of God, and I saw what we would all be loosing – God’s Love; and what those who revolt against His Will will receive - eternal self - destruction in hell fire.

Then in my ecstasy of Love for God and for myself and my fellow angelic creatures and for the entire creation I shouted:

“Who is like God – so loving, so good, so splendid, so majestic, so... so ... so ... so ...so ...so!” And the voice of my Love and adoration (filled the whole place) and I prostrated myself on the ground, adoring and loving and praising Him with all I have and I am. Most of the angels followed me immediately, loving God and worshipping Him.

Lucifer became furious. His hatred of me, of himself and of the angels and of God rose to its peak and he began raining abuses on me and the angels worshipping and serving God with me. He began to pour the venom of his anger on me and on all with me, but the more he did that the more we loved and the more we worshipped and the more we adored and the deeper we prostrated and then the splendour of God began to shine more in me and in all who were with me on the side of God. His unapproachable Light of Love and splendour became more and more radiant in me and in all with me on the side of God.

It was the Light of the Face of God, the Love, the Splendour, his Infinite Majesty, his indescribable Glory which began to shine brighter than any brightness, that drove Satan Lucifer and his wicked angels, self destructive

angels, further and further away from the Loving and ETERNAL presence and splendour of God Love.

The farer and farer he went from God the more and more he drifted into the darkness of hell and the eternal punishment of self-destruction. He devised all possible means of destroying himself and those with him thinking to end his existence.

But God has created him to be eternal. So in his madness of self destruction he has done and still does all things to destroy himself inflicting indescribable injuries on himself and all with him to destroy them and end their existence but he can never stop existing.

God allowed him to do with himself all he wanted and to do with all those with him what he wanted. He needed only to wish it. It is only evil,

revolt, hatred, wickedness. Oh! It is unthinkable, indescribable, all that he has unleashed and perpetrated on himself and all with him, they scheme to excel each other in their self and other destructive plans and machinations. The more they hate themselves and seek to destroy themselves, the more their hatred increases and the more they do all they can to destroy themselves revolting against God, who gave them being, who created them out of Love. The more they rejected His Love rejecting their existence and doing all they could imagine to destroy themselves and obstruct God's Love and negate God's plan for them they are the most miserable.

God does nothing to them. It is they who with their indescribable hatred of themselves and of all, do themselves all sorts of harm and inflict on

themselves all sorts of indescribable punishment like biting their very selves with themselves jumping into the hottest destructive burning fire, crushing themselves, tearing themselves, changing themselves into heinous indescribable forms and shapes. There is no limit and no end to the punishment they inflict on themselves and others with them.

Whereas those who followed Lucifer Satan drifted farer and farer away from God drifting and flying infinitely away from God, I and the Angels with me we came nearer and nearer to God and were drawn infinitely nearer to God.

Before the fall no creature came so near to God. It was a test. Lucifer and his wicked angels fell from grace and away from the Love and service of God. God rewarded us by drawing us deeper and deeper, infinitely deeper

into His Loving majesty and infinite splendour and holiness.

Write what I am telling you: Many human beings rightly ask how can angels in heaven in the presence of God turn away from him revolting against Him. The Heaven that we are in now, the Heaven into which God in His Infinite Love has drawn us into, is really the Heaven, the Heaven of heaven, the Heaven of His Infinite Love and Holiness and Majesty and Union in Love. The infinite ecstasy of this union is eternal unbreakable, non-stop, for ever permanent in the increase in the Love.

How can I describe it? It cannot be described!

There can never be any language to describe it. The heaven, we were in before the fall, is like the paradise where Adam and Eve were in the

presence of God, but had the possibility of sinning of disobeying of using their will against God, they had the possibility of falling away even though they were in paradise. But the Heaven which Our Lord and Saviour Jesus Christ has opened for man is the real Heaven, the Heaven of heaven, the innermost Heaven. Here you are so taken up in the Will and Love of God, you are being pulled willingly into the infinite Goodness and Love of God.

Can you imagine you driving your car on the ground with the possibility of getting out or turning left or right or even causing an accident, then there comes a force, an infinitely great loving ecstasy, pulling you up with your car into the infinite space with infinite speed: it is what you will, your will is one with this Will, it is the absolute Union of Will, Love, Pleasure.

But now this your free will is absolutely united with this Will which has given you and gives you infinitely more fulfilment and joy than you can imagine. There is no getting out or turning back but the point is that you are infinitely being fulfilled in union with his. Your will is infinitely fulfilled in His Will Love.

Go to them and tell them the great Glory and the great danger. Take off now completely on this direction. Here is a small replay of the Heaven and test for the angels and small replay of paradise for Adam and Eve.

The **only solution** is to unite yourselves to the Two Wounded and Bleeding Hearts.

Let God carry you; tell about the absolute necessity of pure and holy Love and total obedience to the Will of God, revealed in this Love and prayer.

The weapon of war and victory is this prayer. Let them not misuse or under-use or waste it. This is the time of the Reign. Get going and let yourselves be carried by the Eternal and Loving will of God.

30.09.2004

My Love, I am still talking to you. I have a lot to tell you for the entire Family of the Hearts of Love to which I Myself belong. **I bring all the Angels with me to this Family**. This is what the Eternal Father has given me to do: to bring all the angelic powers to this Family of the Two Hearts of Love.

Do you remember what He promised you? If you do all He asked you to do living the Life of Love as you should live it, doing the work of Love as you should, do it being united with Him as you should, He will make this Family of the Two Hearts of Love the

biggest Family on earth as well as in Heaven. He has asked me to bring all the angels and make them members of this Family. I am requesting you to register us all, all the angels of God we are all your members, members of the Family of the Two Hearts of Love.

We are not just serving you and serving in this Family, we are members, full fledged members, with full responsibility of prayers and apostolate like all other members. Thank you for accepting us. Angels are innumerable times more than human beings in number. The Lord has fulfilled the Promise He made you. My Family of the Hearts of Love will be innumerable times more than any Family in heaven and on Earth. Have you realised the greatness of this Family of the Two Hearts of Love?

I love you my Love. I love you my love. I love you my Love. Remain

always my Love, remain always our Love, remain always the Love of God.

Receive more messages. Write what I am telling you:

This mission of the Hearts of Love is the most important mission and the whole Heaven and earth are waiting for this Reign of the Love of God of the Hearts of Love on earth as in Heaven. In other words, the whole heaven and earth are waiting for you to say yes to this Reign.

It depends on you on your yes. Say this yes with your whole heart and soul and body and spirit. Say this yes with your whole being. Say this yes with all you have and are. Say this yes as an absolute yes and the Love of God, the whole Glory of God, the whole Blessings of God, the whole Graces of God, The Power of the Most High will overshadow you and the Spirit of God

will come with His full power and the Son of God will come with His Fullness of Love, of Divinity and Humanity and all will dwell in you and through you. All the Reign of the Love of God will be established on earth as in Heaven.

(I offered myself completely wholly and entirely to God to use me as it pleases Him and I am here to do His will wholly and entirely. He asked me to lie down beside the cross. I lay down and Jesus on the cross turned and entered into me and I dissolved into him. He asked me again to lie beside the cross with my hand joined to Him on the cross. I did and He said:)

You have the whole world to feed with the Word of God, with the Love of God. Get up and go to the people. It is almost ten o'clock. *(I got up and it is ten o'clock.)*

My son, My Love, I thank you for giving Me your absolute yes. I thank you immensely for saying this total, absolute and unconditional and eternal yes to Me and My Eternal Will of Love. In saying this yes to Me, you have said yes to all I love and to all who love Me. You have said yes to My Eternal and Infinite Loving Will; you have said yes to the Eternal and Infinitely Loving Father; you have said yes to the Eternal and Infinitely Loving Holy Spirit; you have said yes to the Eternal and Infinitely Loving Son; and you have said yes to the Eternal and Infinite Love in the Most Holy Trinity of Love. You have said yes to yourself, your nature, your mission, your fulfilment, your eternity.

In saying this absolute yes, you have touched the very core of all that is, the very Heart of God and the very

centre of Heaven and the very core of the entire world and creation.

My son, My beloved, what I said to you about the Pope is what is – is what he is: he is the Pope of My Hearts of Love. The crown of his papacy is the reign of My Hearts of Love which he is to proclaim to the whole world.

The message of Fatima which spoke much about his person and his papacy has the core in the reign of the Hearts of Love – the Immaculate Heart of My Mother and My Most Sacred Heart – the Two Hearts ever united in Love. There in Fatima My Mother made it clear to the whole world what the will of My Father is:

God's will is that the Two Hearts of Love be venerated together and no longer be separated. The message of Fatima is central to the Message of the Two Hearts of Love. Through

Lucia I and My Mother made it clear what the will of My Father is, that the Hearts of Love will reign from Deutschland.

My Love you are the fulfilment of this prophecy. I have brought this prophecy to fulfilment in and through you. It is for the reign of My Hearts of Love in Deutschland and through Deutschland in the whole world that I sent you to Germany and you have been living in Germany one quarter of your earthly life.

Here you have suffered terrible rejection and persecution. But My son, do not be worried, it will all come to pass, it is almost all over and My Hearts of LOVE MUST REIGN.

Do not go away from Germany, stay here and pray and fast and do penance. Now the light of My Love will shine

more and more in you and through you in the whole world.

Never allow anybody to make you think or say or do anything against My Church, your Church, or against her leaders, the servants, My Pope, My Bishops and Priests and Religious Men and Women and the Laity. Love all of them with My Love – with Hearts of Love. You are Love from Me, God, the Most Holy Trinity of Love. Love! Love! Love! Love! Love! Love! Love! Love!

(Union with the Will of God, union with the Two Hearts of Love - this Prayer - as God's Will, solution, Instrument and weapon for Love and Peace, freedom, justice, righteousness and fulfilled life for all and salvation of all.)

Peace comes with freedom, righteousness and justice. Justice to all

- even the unborn and distant generations.

Let them correct the imbalance in the world, the lots of injustice and racism and genocide and hatred. Let them use more My instrument of prayer and justice and righteousness.

Tell all those fighting against AIDS to fight harder, but let them not waste their time thinking that such diseases will be fought and controlled by scientific advancement and medicine.

The root of this is the evil, evil in life, evil in sex, evil in marriage, in the family, evil in the friendship, evil in the relationship between man and woman, evil in the relationship between man and man, between woman and woman.

Correct your lives and you will live. The solution is not medicine or

condom. The solution is pure and holy Love, pure and holy Life, pure and holy relationship between people both of opposite sex and of the same sex.

If they think that they can fight this small and tiny AIDS virus with their means and even their magic of medicine and science and cover up of sex, the bigger and worse AIDS will break out. It will attack the genital organs and reproductive organs and people will be decaying while still alive.

Let the world be warned. I am warning you to warn the whole world.

Please, My son, please My Love, warn the whole world. The forces of evil have teamed up from all sides and all are aimed at destroying My World, My creation. I will not allow that.

The easiest way for the forces of evil to perpetrate and finish their evil terrible plans is the use of evil and sin and hatred and wickedness.

My son, fight with the weapons of prayer and Pure and Holy Love. My son, please gather My Children and bring them all to My Love, My Hearts of Love.

Do not be tired, write, listen and write. I am giving you this warning message for the whole world.

Although the forces of evil are scheming to destroy My world I have sent and equipped you with My Power of Love and Prayers to defeat them, you will defeat them woefully. But please, be steadfast in prayer and purity and holiness of Life and Love. Do not waste any more time. Time is very short.

The forces of evil are very strong and terribly determined to destroy My world, but the forces of good are infinitely more powerful and effective and omnipresent.

I am God, I am He who am the God of Love.

My son, arise to your responsibility for the whole world. Let Me manifest My Love, My Glory in you and through you to the whole of My creation. Be strong and steadfast. Be firm and unflinching in your faith. Never doubt anything, I tell you, **never doubt the efficacy of your prayers.** I have given you the greatest power ever to be given out in the whole of creation.

You are My Love. You are My Love, My most beloved Love. That is why I have sent you at this time to come and save My world from

destruction by all the forces of evil put together.

Your mission must succeed, because your mission is My mission, your mission is divine, your mission is Love. I am your mission.

My Love, I carry the whole world in the palm of My hands and I have given you all the power of My Love. I carry the whole world, My whole creation in My Heart and I have given you all the power and authority of Love.

My son, arise to your responsibility.

Go to the leaders of the nations and the races and cultures and societies and events and establishment. Harness the forces of good, bring them all together to fight the forces of evil. You are at the

centre of the fight. Your victory is the victory of the whole forces of good.

Be steadfast, be not weak, be strong, because I am strong, be holy for I am holy, be pure for I am pure.

Do not allow any contamination to deter and destroy My mission, My work, your mission, your work.

Do not be afraid to go to the leaders of nations and ask them to contribute. They are sitting on the resources of the world, these resources are not their own - they are just caretakers.

These resources are mine. Go, ask them to release My resources to use them to fight evil and promote good, the resources of connection, media, decision making and execution. I am not talking of money, do not fight with

money, do not go begging for money, just do your work and preach My Love and My Word and all the resources you need will flow to you.

Take the bold decision now to come out openly and proclaim My Only Solution to the whole world, the rich and poor alike, the young and the old, the white and the black, the far and the near. My Love, rest a little.

My Love, do not hesitate to do My Will completely in all things and all situations. My Love, be steadfast in your judging like Me with My Spirit and your acting with decision according to My Most Holy Will.

Help My Church to come back to her origin in Love, in My pierced and bleeding Heart and in the Wounded and Bleeding Heart of My Mother. Our Two Hearts of Love were

pierced and wounded and bleeding at the same time.

I have already told you this and I want you to tell the whole Church and the whole world: the **Only Solution** to the problems in the Church and the problems in the world as well as problems in the souls and the communities including families is

to unite to the Two Wounded and Bleeding Hearts.

Please, My son, live this solution, love it, receive it, treasure it, carry it, pray it, venerate it, preach it, spread it and pour it on all and shine it in and over all. Let the whole creation see the glorious manifestation and shining of this one great solution which I have made known to you even as you were still a very small boy.

Please, My Love, help My Church to accept this solution by receiving it well in its purity and holiness and exclusiveness from Me and living it, loving it in its beauty and fittingness, and spreading it in its dignity and splendour, in its clarity and distinctiveness and fitting union with the life and teaching of My Church, especially the magisterial - Popes - and Popes in councils and Fathers and Doctors of the Church and Saints and Bishops.

Explain it and present it in different forms and in different lights and angles and perspectives and the numerous effects and the danger posed by any possible neglect and delay in accepting and applying this

Divine Solution.

Present it very strongly, clearly and decisively and diplomatically and

**comprehensively. I am with you now
and forever and ever!**

Amen.

especially at 12 and 6 o'clock after the
Angelus and at 4 pm
at the end of the Holy Hour, at
Communion and at the end of Mass.
This is for the solemn moments of
union.
